

### Hoopla Digital – Tablet or Smartphone

#### You will need

- A valid Vernon Area Public Library Card
- A Tablet/ smartphone with Wi-Fi
- Hoopla digital app and account (instructions below)\*

#### To download app and create your Hoopla account

- 1. Go to your device's app store (for **Apple** products, the App Store and for select Android products, the Google Play Store), search for Hoopla (the app icon is pictured below), and install it.
- 2. For a Kindle Fire HDX: Previously, you had to allow the installation of applications in settings and download the Hoopla app from Slideme. Currently, the hoopla digital app is now compatible with 7" and 8.9" Kindle Fire HDX tablets running the latest Kindle OS software. Simply go to your Amazon app store on your Fire and search for Hoopla (icon pictured below). Note: if you do not see the Hoopla app in your Amazon App store your device is not compatible.

- 3. When it is installed open the app.
- 4. Touch the Sign Up option to begin creating an account (you can also create a Hoopla account through your browser and then just sign in in the app).
