

## Android Devices and Cloud Library– Downloading an eBook

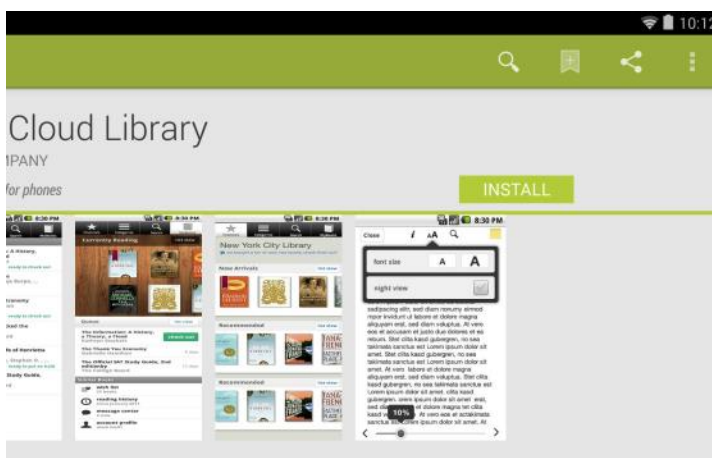

### What You Need

- A valid Vernon Area Public Library Card
- A compatible Android device\* with a Wi-Fi connection
- Free Cloud Library app (see below for installation instructions)

*\*The Cloud Library app is not yet available for Windows 10 Tablets and Phones. Visit <http://yourcloudlibrary.com/index.php/en-us/get-the-app/windows> on your tablet browser to download the **PC App**.*

### To install the Cloud Library app

1. On your device, visit the **Play Store** (make sure you are connected to Wi-Fi).
2. Search for **Cloud Library** app.
3. Tap **Free** then **Install**.

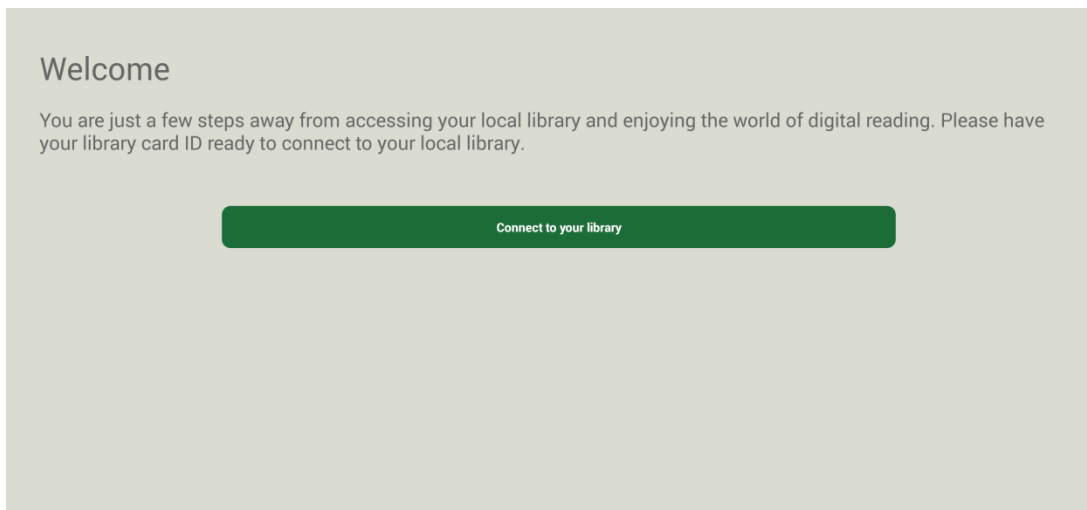

### To log into the app

1. Tap the Cloud Library icon to open the app.

2. Touch the green **Connect to your library** button to get started

3. Select Country (US), State (IL) and Library (Vernon Area Public Library District).

4. Enter your Library card number and then touch the **Connect** button.

US > Illinois > Vernon Area Public Library District

Enter Your Library Card ID

Library Card ID

Connect to your library

5. Tap the **Accept** button to accept the **License Agreement**.

Close Accept

## To Check Out and Download

1. Find an eBook by hitting the little search icon.

2. Tap on desired eBook cover and then the green **Borrow** button. If all copies are checked out, tap **Hold**.

3. Tap **My Books** to find and read books you have checked out. Hit the **Read** button to read. You can check out 5 books at a time. When in an eBook, tap the middle of the screen to pull up reading options

## To Return eBooks

1. eBooks can be checked out for 3 weeks.
2. eBooks automatically expire after the due date, but they can also be returned early by going to **My Books**, pressing and holding the book cover, and touching **Return**.
