

Tablets and Cloud Library– Downloading an eAudiobook

What You Need

- A valid Vernon Area Public Library Card
- A compatible tablet (Apple or Android) with a Wi-Fi connection
- Free Cloud Library app (see below for installation instructions)

To install the Cloud Library app

- 1. On your device, visit your app purchasing store (for Apple products, the App Store and for select Android products, the Google Play Store) (make sure you are connected to Wi-Fi).
- 2. Search for Cloud Library app.

3. Tap Free then Install.

To log into the app

- 1. Tap the Cloud Library icon to open the app.
- 2. Touch the blue **Connect to your library** button to get started

3. Select Country (US), State (IL) and Library (Vernon Area Public Library District).
