Kanopy – Tablet or Smartphone

You will need
- A valid Vernon Area Public Library Card
- A compatible tablet or phone with a WiFi connection
- Kanopy account (instructions below)

To install app and create your Kanopy account
1. Go to your device’s app store (for Apple products, the App Store and for Android products, the Google Play Store), search for Kanopy, and install it. When it is installed open the app.

2. Tap Sign Up.
3. Follow the prompts for signing up: you will have to enter an email and choose a password. Kanopy will send a verification email to the email you provided. Once you receive the verification email, tap the link provided to verify your email.

4. Search for and choose the Vernon Area Public Library and hit **Continue**.

5. Tap **Add Library Card** and enter your Library Card number (found on the back of your library card) and Pin (the last 4 digits of the phone number linked with your library account) and tap **Save**. Tap **Start Watching**.

VERNON AREA PUBLIC LIBRARY DISTRICT
300 Olde Half Day Road • Lincolnshire, IL 60069 • 847 634-3650 • [www.vapld.info](http://www.vapld.info)
To watch a movie
6. Tap on movie you wish to watch. Tap the play triangle button to start streaming.

Notes:
- You have 10 checkouts a month. Once you start watching a title it is checked out.
- Films are checked in automatically after 3 days.
- Titles are streaming only, and cannot be downloaded
- Watch through your tv with Chromecast, Apple TV, and Roku
